Dear Mr. Krout:

At its meeting on March 1, 2005, the Library Board of Trustees unanimously approved its vision of a new main library located in the traditional downtown, utilizing a full city block.

It is the Library Board's goal to envision a library that would serve the community well for 50 to 60 years, be a destination point for visitors to and residents of Lincoln, as well as assist with the economic development and revitalization of downtown Lincoln.

Sincerely,

Norman Langemach, President
Library Board of Trustees
